

Welcome the Town of Brookline's Resident Information Site!

This site will allow you to find information and see maps about Transportation, Historic Resources, Town Offices, Schools, Voter Information, Open Space, or Regulatory Information (Zoning, Trash Pick-Up) for any address in Brookline. If you have any suggestions, please forward them to the GIS manager at feng_yang@town.brookline.ma.us

The following instructions and tool tips will help you use the site most effectively.

"Where Am I?" Resident Information Site

Finding information about your neighborhood and your community.

Street:

House Number:

"Where Am I?" Resident Information Site

Finding information about your neighborhood and your community.

Street:

House Number:

- ABBOTTSFORD RD

- BARTLETT ST
- BAXTER RD
- BEACON ST

To begin a property query, select a street name from the "Street" drop-down box.

Then choose the street address from the "House Number" drop-down list. After choosing a street name, please wait a moment for the house number list to refresh.

The map will display the selected address and key resident information will display to the left of the map.
